Yellow Submarine.....	64

All my loving

Close your eyes and I'll kiss you
Tomorrow I'll miss you
Remember I'll always be true
And then while I'm away
I'll write home every day
And I'll send All My Loving to you

All My Loving I will send to you
All My Loving, darling I'll be true

I'll pretend that I'm kissing
the lips I am missing
And hope that my dreams will come true
And then while I'm away
I'll write home ev'ry day
And I'll send All My Loving to you

All My Loving I will send to you
All My Loving, darling I'll be true

Close your eyes and I'll kiss you
Tomorrow I'll miss you
Remember I'll always be true

And then while I'm away
I'll write home ev'ry day
And I'll send All My Loving to you

All My Loving I will send to you
All My Loving darling I'll be True
All My Loving All My Loving ooh
All My Loving I will send to you

**ALL
MY
LOV
ING**

All you need is love

Love, love, love, love, love, love, love, love, love.

There's nothing you can do that can't be done.

Nothing you can sing that can't be sung.

Nothing you can say, but you can learn

How to play the game

It's easy.

Nothing you can make that can't be made.

No one you can save that can't be saved.

Nothing you can do, but you can learn

How to be you in time

It's easy.

All you need is love, all you need is love,

All you need is love, love. Love is all you need.

Love, love, love, love, love, love, love, love, love.

All you need is love, all you need is love,

All you need is love, love. Love is all you need.

There's nothing you can know that isn't known.

Nothing you can see that isn't shown.

There's nowhere you can be that isn't where

You're meant to be

It's easy.

All you need is love, all you need is love,

All you need is love, love. Love is all you need.

All you need is love. (All together now).

All you need is love. (Everybody).

All you need is love, love. Love is all you need.

Love is all you need.

Love is all you need

(Yesterday)

(Oh yeah)

(She love you, yeah, yeah, yeah)

(She love you, yeah, yeah, yeah)

(Oh yesterday)

Blowin' In The Wind

How many roads must a man walk down
Before you call him a man ?
How many seas must a white dove sail
Before she sleeps in the sand ?
Yes, how many times must the cannon balls fly
Before they're forever banned ?
The answer my friend is blowin' in the wind
The answer is blowin' in the wind.

How many years can a mountain exist
Before it's washed to the sea ?
Yes, how many years can some people exist
Before they're allowed to be free ?
Yes, how many times can a man turn his head
Pretending he just doesn't see ?
The answer my friend is blowin' in the wind
The answer is blowin' in the wind.

How many times must a man look up
Before he can see the sky ?
Yes, how many ears must one man have
Before he can hear people cry ?
Yes, how many deaths will it take till he knows
That too many people have died ?
The answer my friend is blowin' in the wind
The answer is blowin' in the wind.

Eight Days A Week

Ooh, I need your love, babe
Guess you know it's true
Hope you need my love, babe
Just like I need you
 Hold me, love me, hold me, love me
 Ain't got nothing but love, babe
 Eight days a week.

Love you every day, girl
Always on my mind
One thing I can say, girl
Love you all the time
 Hold me, love me, hold me, love me
 Ain't got nothing but love, girl
 Eight days a week.

Eight days a week , I love you
Eight days a week
Is not enough to show I care
 Ooh, I need your love, babe
 Guess you know it's true
 Hope you need my love, babe
 Just like I need you

Hold me, love me, hold me, love me
Ain't got nothing but love, babe
Eight days a week
 Eight days a week , I love you
 Eight days a week
 Is not enough to show I care

Love you every day, girl
Always on my mind
One thing I can say, girl
Love you all the time
 Hold me, love me, hold me, love me
 Ain't got nothing but love, babe
 Eight days a week
 Eight days a week
 Eight days a week

Hallelujah

I've heard there was a secret chord
That David played, and it pleased the Lord
But you don't really care for music, do ya?
It goes like this:
The fourth, the fifth
The minor fall and the major lift
The baffled king composing Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

When your faith was strong, but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew ya
She tied you to a kitchen chair
She broke your throne, and she cut your hair
And from your lips she drew the Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

There was a time you let me know
What's really going on below
But now you never show it to me, do you?
But I remember when I moved in you
And the holy dove, she was moving too
Yes, every single breath that we drew was Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

I did my best, it wasn't much
I couldn't feel, so I tried to touch
I've told the truth
I didn't come to fool you
And even though it all went wrong
I'll stand before the Lord of Song
With nothing on my tongue but Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

Lean On Me

Sometimes in our lives
We all have pain, we all have sorrow
But if we are wise
We know that there's always tomorrow
 Lean on me when you're not strong
 And I'll be your friend, I'll help you carry on
 For it won't be long
 'Til I'm gonna need somebody to lean on

Please, swallow your pride
If I have things you need to borrow
For no one can fill those of your needs
That you won't let show
 You just call on me, brother, when you need a hand
 We all need somebody to lean on
 I just might have a problem that you'll understand
 We all need somebody to lean on

Lean on me when you're not strong
And I'll be your friend, I'll help you carry on
For it won't be long
'Til I'm gonna need somebody to lean on
 You just call on me, brother, when you need a hand
 We all need somebody to lean on
 I just might have a problem that you'll understand
 We all need somebody to lean on

If there is a load
You have to bear that you can't carry
I'm right up the road, I'll share your load
If you just call me
 Call me (If you need a friend)
 Call me (Call me uh-huh)
 Call me (When you need a friend)
 Call me (If you ever need a friend)
 Call me (Call me)
 Call me (Call me)
 Call me (Call me)
 Call me (Call me)
 Call me (If you need a friend)
 Call me (Call me)
 Call me (Call me)
 Call me (Call me)
 Call me (Call me)
 Call me

Let It Be

When I find myself in times of trouble,

Mother Mary comes to me
Speaking words of wisdom, let it be
And in my hour of darkness

she is standing right in front of me
Speaking words of wisdom, let it be

Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

And when the broken hearted people
living in the world agree
There will be an answer, let it be
For though they may be parted,
there is still a chance that they will see
There will be an answer, let it be

Let it be, let it be, let it be, let it be
There will be an answer, let it be

And when the night is cloudy
there is still a light that shines on me
Shine until tomorrow, let it be
I wake up to the sound of music,
Mother Mary comes to me
Speaking words of wisdom, let it be

Let it be, let it be, let it be, yeah, let it be
There will be an answer, let it be
Let it be, let it be, let it be, yeah, let it be
Whisper words of wisdom, let it be

MICHELLE

Michelle, ma belle
These are words that go together well
My Michelle
Michelle, ma belle
Sont les mots qui vont tres bien ensemble
Tres bien ensemble
I love you, I love you, I love you
That's all I want to say
Until I find a way
I will say the only words I know that you'll understand

Michelle, ma belle
Sont les mots qui vont tres bien ensemble
Tres bien ensemble
I need to, I need to, I need to
I need to make you see
Oh, what you mean to me
Until I do, I'm hoping you will know what I mean
I love you...

I want you, I want you, I want you
I think you know by now
I'll get to you somehow
Until I do, I'm telling you so you'll understand
Michelle, ma belle
Sont les mots qui vont tres bien ensemble
Tres bien ensemble
And I will say the only words I know that you'll understand
My Michelle

Ob-La-Di Ob-La-Da

Desmond has a barrow in the market place
Molly is the singer in a band
Desmond says to Molly-girl I like your face
And Molly says this as she takes him by the hand

(Refrein)

Obladi oblada life goes on bra
Lala how the life goes on
Obladi Oblada life goes on bra
Lala how the life goes on

Desmond takes a trolley to the jewellers stores
Buys a twenty carat golden ring (ring)
Takes it back to Molly waiting at the door
And as he gives it to her she begins to sing (sing)

(Refrein)

In a couple of years they have built
A home sweet home
With a couple of kids running in the yard
Of Desmond and Molly Jones

Happy ever after in the market place
Molly lets the children lend a hand
Desmond stays at home and does his pretty face
And in the evening she still sings it with the band

(Refrein)

In a couple of years they have built
A home sweet home
With a couple of kids running in the yard
Of Desmond and Molly Jones

Happy ever after in the market place
Molly lets the children lend a hand
Desmond stays at home and does his pretty face
And in the evening she's a singer with the band

(Refrein)

Streets of London

Have you seen the old man in the close down market.
Kicking up the papers with his worn out shoes.
In his eyes you see no pride, hand held loosely at his side.
Yesterday's paper telling yesterday's news.

So, how can you tell me, you're lonely.
And say for you that the sun don't shine.
Let me take you by the hand and lead you through the streets of London.
I'll show you something, to make you change your mind.

Have you seen the old girl, who walks the streets of London.
Dirt in her hair and her clothes in rags.
She's no time for talking, she keeps ride on walking.
Carrying her home in two carrier-bags.

So, how can you tell me, you lonely.
And say for you that the sun doesn't shine.
Let me take you by the hand and lead you through the streets of London.
I'll show you something, to make you change your mind.

In the all night cafe, at a quarter past eleven,
same old man sitting there on his own.
Looking at the world over the rim of his teacup.
Each tea last an our, than he wanders home alone.

So, how can you tell me, you lonely.
And say for you that the sun doesn't shine.
Let me take you by the hand and lead you through the streets of London.
I'll show you something, to make you change your mind.

Have you seen the old man outside the seamen's mission.
Memory 's fading the the metal ribons that he ware
In our winter city the rain cries little pity,
For one more forgotten hero and the world that doesn't care.

So, how can you tell me, you lonely.
And say for you that the sun doesn't shine.
Let me take you by the hand and lead you through the streets of London.
I'll show you something, to make you change your mind.

Yesterday

Yesterday, all my troubles seemed so far away
Now it looks as though they're here to stay
Oh, I believe in yesterday

Suddenly, I'm not half the man I used to be
There's a shadow hanging over me
Oh, yesterday came suddenly

Why she had to go I don't know, she wouldn't say
I said something wrong, now I long for yesterday

Yesterday, love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

Why she had to go I don't know, she wouldn't say
I said something wrong, now I long for yesterday

Yesterday, love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday, mm

When I'm Sixty-Four

When I get older losing my hair,
Many years from now.
Will you still be sending me a Valentine
Birthday greetings bottle of wine.

If I'd been out till quarter to three
Would you lock the door,
Will you still need me, will you still feed me,
When I'm sixty-four

You'll be older too,
And if you say the word,
I could stay with you.

I could be handy, mending a fuse
When your lights have gone.
You can knit a sweater by the fireside
Sunday morning go for a ride,
Doing the garden, digging the weeds,
Who could ask for more.

Will you still need me, will you still feed me,
When I'm sixty-four

Every summer we can rent a cottage,
In the Isle of Wight, if it's not too dear
We shall scrimp and save
Grandchildren on your knee
Vera, Chuck and Dave

Send me a postcard, drop me a line
Stating point of view
Indicate precisely what you mean to say
Yours sincerely, wasting away

Give me your answer, fill in a form
Mine for evermore
Will you still need me, will you still feed me.
When I'm sixty-four

Yellow Submarine

In the town where I was born
Lived a man who sailed to sea
And he told us of his life
In the land of submarines
So we sailed up to the sun
Till we found a sea of green
And we lived beneath the waves
In our yellow submarine

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

And our friends are all aboard
Many more of them live next door
And the band begins to play

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

As we live a life of ease
Every one of us has all we need
Sky of blue and sea of green
In our yellow submarine

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine
